Your subscription renews automatically. If you have a monthly subscription, we will process your payment seven days before the renewal date using the payment information we have on file. If you have a subscription for one year or longer, your payment will be processed 30 days before the renewal date.

CANCELLATION AND REFUND POLICY

You can cancel your subscription on the "My Account" page by disabling automatic renewal. If you purchased a monthly subscription, cancellation will prevent future recurring charges, and you can continue using your subscription until the end of the last billing period. Subscription fees cannot be refunded retroactively upon cancellation of your monthly subscription, and previously billed subscription fees cannot be recalculated on a pro-rata basis based on the cancellation date. If you purchased a subscription for one year or longer and are not satisfied with McAfee software, you can request a full refund within 30 days of purchase.

GUIDELINE FOR VIRUS PROTECTION ASSURANCE

To be eligible for the Virus Protection Guarantee, you must be enrolled in our automatic renewal service and have a qualifying product installed. If we are unable to remove a virus from a device we support (see Virus Protection Guarantee system requirements), we will refund you (for the current term of your subscription) the full amount you paid for the qualifying product, or the value of the qualifying product if it was included in a bundle (see Terms of Service for details), less any discounts, rebates, refunds, shipping, service, or tax. Refunds do not cover damages or losses caused by a virus. We strongly recommend that you always back up your data to avoid data loss. For more details, see our Terms of Service: mcafee.com/pledge

TERMS AND CONDITIONS FOR AUTOMATIC RENEWAL AND TERMINATION

Terms for automatic renewal and cancellation: As part of our Always On Protection program, your subscription will automatically renew 30 days prior to its expiration at the then-current price. Your credit card will be charged. Prices are subject to change. Your subscription will renew annually until you cancel. If you need additional information about canceling your subscription or changing your renewal settings, please log in to the My Account page or contact Customer Support. We will refund the full amount upon request, provided you cancel your subscription(s) within 60 days of payment. McAfee will notify you of any changes to your account or subscription price.
