## Your order is on its way to you! 🎉

**Dear Tina,**

We have great news: your SIM card has just left our warehouse and is on its way to you!

Shipping usually takes 2 to 3 working days until delivery.
Please make sure your name is clearly legible on the mailbox so that nothing gets in the way of delivery 😍

💡 **A little reminder** 💡

**Once you have your card in hand, you simply need to activate it using your personal activation link. We have already sent you the activation link via email.**

If you have any further questions or haven't received your SIM card, please contact our customer service .

Kind regards,
**Your LEBARA Team**
