Your eSIM is ready. 🎉

Hello ,

attached here you will find all relevant details on your new eSIM from LEBARA.

Important: Please follow the steps mentioned below. The setup will only take a few minutes::

1. Activation of contract & carry out identification
Download the **LEBARA activation app** and follow the instructions to verify your identity with your ID or passport. Then enter your **PUK** and **SIM number** (you will find both in attached PDF).

ⓘ **Remark:** If you do not execute the activation within 30 days, we will need to cancel your order, unfortunately.

Here to activate quick & easy!

2. Adding eSIM on your Mobile Phone:
Simply scan the QR-Code from attached PDF – and your eSIM will be installed straight away. 📲
